BUDAPEST BY BIKE

| | | |
|---------------------------------|------------------------------------|----------------------|
| Tour by bike, 14 km mostly flat | Length of the programme: 3.5 hours | Price/person: 55 EUR |
|---------------------------------|------------------------------------|----------------------|

Budapest is a **bike-friendly city**, so it is easy to cover the major sights on two wheels in a couple of hours.

To start our tour, you will meet your guide at Egyetem Square to pick up the bikes.

First we head to **Heroes' Square** where you can learn about the major events of Hungarian history admiring the colonnade of statues depicting our outstanding historical figures, then we pedal around the **City Park** to see **Vajdahunyad Castle** and **Széchenyi Thermal Bath** the **biggest spa of our capital**. Heading back to the city center we bike to **St. Stephen's Basilica**, then to **Liberty Square** and also to see the **Parliament Building**.

There is a **refreshment stop included** where you will have the chance to taste a **local pastry** and have a cup of coffee, tea or soft drink.

Recharged with energy we head to the fabulous **Margaret Island** a beautiful park and recreational area in the middle of the river Danube. From there we get a **picturesque view onto the river and both onto the Pest and the Buda side of the city**. After exploring the area, we head back to downtown and that is where we will finish the tour.

Come and join us to discover beautiful Budapest- **My City Your Way!** on two wheels.

DANUBE BOAT TRIP AND MARGARET ISLAND WALK

| | | |
|---------------------------------|------------------------------------|----------------------|
| Tour by boat and walk in a park | Length of the programme: 3.5 hours | Price/person: 30 EUR |
|---------------------------------|------------------------------------|----------------------|

Viewing downtown Pest and the panorama of Buda from a boat is a special experience. With a glass of champagne in hand, you can admire the World Heritage buildings and the panorama. The boat trip covers the area from the Petőfi Bridge to the Margaret Island, which is the downtown of both sides of the city. We will disembark on the island and take a walk to get to know Budapest's jewel box, Margaret Island, which hides botanical and architectural rarities. Our program ends at Margaret Bridge, at the entrance to the island.
